Chabad Hebrew School

Dear Parents and Students,

We are pleased to announce that the Chabad Hebrew School is open for registration for the scholastic year of 2017-18. Enclosed is a registration form for the coming year; please fill out the form and mail it back to Chabad at 350 Haverstraw Road, Suffern NY 10901.

Our school has been on the cutting edge of Jewish education. Our educational philosophy, entitled **"Echad!- Whole Judaism for the Whole Child"** is premised on the following principles:

We recognize that a child learns best in an atmosphere of respect and joy.

Our curriculum is interconnected and builds upon itself.

Each lesson synthesizes three components: Torah knowledge, Torah relevance, and a commitment to fostering a positive disposition toward the subject matter.

Our teachers "live Judaism" with passion and their joy is imparted naturally to our students.

Our program recognizes that parents are the active ingredient to a successful Jewish educational experience.

We look forward to giving your child a Jewish experience that they deserve.

Wishing you and your family a happy and healthy summer,

Chabad Hebrew School of Suffern

The process of being Bar and Bat Mitzvah through Chabad will require proof of mothers Judaism based on the guidelines of the Rabbinical court.

Tuition:

First Taste: \$625 Yearly Tuition.

Tier II: \$985 Yearly Tuition.

Tier III: \$835 Yearly Tuition.

Tier IV: \$625 Yearly Tuition.

Registrations Submitted after August 15th will be charged an additional \$100.

Attendance:

The greatest gift that you as a parent can give to your child is constant encouragement. Too much is never enough! The first step in the right direction for parents and children is to realize that attendance is the key to a successful school year. Children who take days off not only miss important school work, but also create an atmosphere of "Hebrew school isn't really that important." Parents should schedule all appointments on non-school days. Students who miss class on a regular basis disrupt their learning and the learning of other students.

Confidential Information:

It is of great importance for the teacher to have any information which can provide for the optimum learning situation. Information of a physical, social, and psychological nature can aid a teacher in planning instructions for each child. Without this knowledge, teachers are handicapped and may be unable to provide the kind of support needed. Such information should be transmitted either in writing, or by a private conference with the director, who will make it known to the appropriate teacher.

Chabad Hebrew School Curriculum

CHS is dedicated to providing a positive environment that is sure to engage the mind and heart, thereby forming an everlasting impression - to last a lifetime. We therefore go to great lengths to create a very warm and exciting classroom atmosphere, incorporating art projects, songs, games, and contests into all of our lesson plans. Our school is a contemporary learning center that is committed to making each lesson relevant and interesting. Our "hands-on" learning style allows the children to experience authentic Judaism. CHS will teach children about caring for others, bringing the lessons to life, by enhancing their Midot Tovot - true morals and values. At Chabad the children are happy to come and learn, because learning is fun! With this in mind we have prepared a full and thorough curriculum including the following subjects.

1. Hebrew Reading

Our Hebrew reading curriculum - **Aleph Champ** - is the latest educational breakthrough around. Modeled after the Karate/Martial Arts motivational philosophy of color coded levels and testing, it provides excitement and inspiration, leading the student into a winning cycle of learning. Learning is on an individual basis, and each child is encouraged at his/her level.

2. Torah, Jewish History & Israel

The children will be introduced to the characters and stories of the Bible. An overview of Jewish history starting with creation to the giving of the Torah to modern day Israel will be taught through interactive stories and art projects. The students will gain an appreciation for our heritage and culture that has been preserved throughout the ages. They will study the Torah Portions, providing them with practical lessons that apply to our daily lives. They will also attain an affection for the uniqueness of Israel, our homeland.

3. Jewish Values & Ethics

Using age-appropriate textbooks students will read and discuss real stories and case scenarios that have practical application to our everyday life. They will understand that our religion is based on a G-d given set of values and morals and that the "norm" is not always right. Beginning with the origin of the Mitzvot, our students will explore a personal Jewishness.

4. Shabbat & Holidays

Providing a deeper understanding of Shabbat, we will explore its traditions and customs, and the reasons behind them. Hands-on lessons for each Jewish holiday will fill the calendar as we begin with learning about the High Holidays and continue throughout the entire school year. By the end of the year, the students will have a deeper understanding and appreciation of each holiday, its traditions and customs.

Hand crafted and decorated Menorahs, honey dishes, Seder plates, Shofars, Matzah baking and more will bring our holidays to life and enable the children to bring home a taste of Jewish life.

Chabad Hebrew School will also host holiday & Shabbat celebrations for students and their families.

5. Extra Curricular

Chabad Hebrew School offers a variety of exciting extra curricular activities such as Friday night Shabbat dinners, family fun days and contests. These events will allow our students to experience Judaism in its entirety. A point system based on in-class and out-of-class participation will allow students to reach different award levels.

During the coming year students will participate in our Judaism Alive program this will take their learning to a whole new level. They will be able to actually experience Judaism. Students will visit a Kosher supermarket, a scribe, a Holocaust museum and many other Jewish sites (see attached schedule) and see what Judaism is all about. They will have opportunities to interact with special Jewish personalities, and ask questions to gain new insights. Through thought provoking discussions and analysis students will gain an understanding and pride in their Judaism.

We are confident that the year will be educational, informative, fun, and exciting as we learn and explore together! We look forward to your involvement and welcome your participation.

All trips will be chaperoned by Devorah Gancz and will return in time for a 5:00 dismissal. We would appreciate if you can let us know if your child will not make it to one of our trips so that we can plan accordingly.

We will send out an email on Monday of each week confirming each trip and providing you with the address. Please look out for those emails as it may be necessary to switch the schedules at times.

If you need to pick your child up early you may either meet us at the location where we are at, or you will need to pick him up before we leave. Please contact me so that we can make arrangements.

Please fill out the permission slip below and send it with your child on Wednesday.

We will be doing prayer, Hebrew reading and focusing on a Hero in Jewish history prior to leaving each week. The experience we will be taking each week will connect as a lesson from the Jewish Hero discussed.

Looking forward to a great year of learning and exploring,

Devorah
